Before Enrolling

ERHealth PCP+ has two program requirements:

- 1** Members must seek **all** primary care needs from their PCP+ Physician.
- 2** Upon joining, members must schedule their first appointment within 90 days of enrolling. Members must have an annual preventive exam.

Additionally, please consider the following before enrolling:

■ **Do I already have a Primary Care Physician?**

If yes, am I willing to leave my current primary care physician and switch to a PCP+ Physician for **all** my primary care needs?

■ **Is there an ERHealth PCP+ location near my home?**

■ **Do I like the idea of a \$0 Co-Pay**?**

■ **Do I regularly have visits with a physician to manage a chronic condition?**

If yes, the PCP+ model may provide cost savings.

■ **Am I an HSA plan member?**

If yes, the PCP+ model may provide retail cost savings.

Save on out-of-pocket primary care expenses by establishing care with a PCP+ Direct Primary Care Physician.

**HEALTHCARE YOU WANT.
CONVENIENCE YOU NEED.
SAVINGS YOU DESERVE.**
